

STUDENT PLACEMENT PROCESS

Thank you for your interest in a placement at Our Neighbourhood Living Society (ONLS). We are committed to providing quality opportunities to students in residential care settings.

All enquiries about placements at ONLS may be directed to the [Student Placement Coordinator](#). Please do not contact a supervisor or an ONLS staff member directly to enquire about placement opportunities, this includes following up on an outstanding request.

Program's capacity to accept requests for student practicum is based on operational requirements and ability.

The placement process at ONLS is as follows:

**PRIORITY DUE TO OUR CAPACITY AND SUPPORT,
PRIORITY IS GIVEN TO LOCAL STUDENTS FIRST.**

ONLS accommodates students annually. Priority of placements goes to:

1. The schools in Halifax & surrounding area
2. The schools throughout NS

Unfortunately we do not have the capacity or the support that is required to accommodate students studying outside of Canada.

PLACEMENT COORDINATION

**THE STUDENT PLACEMENT COORDINATOR WILL
WORK WITH YOU TO ORGANIZE YOUR PLACEMENT.**

STUDENT PLACEMENT PROCESS

All requests are to be submitted through the Student Placement Coordinator. They will act as a liaison between you and the program you will do your placement.

1. Schools are requested to seek placements on behalf of students and are to submit requests through [Student Placement Coordinator](#).
2. Students that are required to seek placement opportunities on their own may enquire directly with the [Student Placement Coordinator](#).

You will be assigned a supervisor who will provide you with an orientation of the placement setting and all applicable ONLS policies and procedures required for you to be successful in your placement. All ONLS workplace rules and regulations apply to student placements.
